About Us

Since 1985, a Legacy of Flavor and Tradition

Established in 1985, our restaurant has grown from a humble family venture into a trusted culinary destination known for authenticity, quality, and heartfelt service. What began with our signature Briyani Dum and expertise in wedding catering has now blossomed into a diverse and vibrant menu that celebrates flavors from around the world.

Today, we proudly offer an expanded selection of dishes that includes Thai seafood delights, Western classics, North and South Indian specialties, authentic Malay local favorites, and rich Mediterranean cuisine. Despite this growth, our commitment remains unchanged: to serve wholesome, delicious food prepared with passion, tradition, and the freshest ingredients.

With decades of experience and a reputation built on excellence, we continue to welcome generations of customers bringing people together through food, celebration, and unforgettable dining experiences.

Subject: Letter of Appreciation for Your Generous Contribution

Assalamu'alaikum warahmatullahi wabarakatuh,

On behalf of **Masjid Petempatan Melayu Sembawang (MPMS)**, we would like to extend our heartfelt appreciation for your kind and generous contribution of air coolers for our use during the recent **Hari Raya Aidilfitri and Hari Raya Aidiladha** celebrations.

Your thoughtful gesture greatly enhanced the comfort of our congregation. The air coolers created a **conductive and pleasant ambience** during the prayer sessions, allowing our **jemaah** to pray in peace and with greater focus. The improvement in the environment was clearly felt and deeply appreciated by all attendees.

We are sincerely grateful for your support, and we pray that **Allah SWT** rewards your generosity with **barakah, good health, and endless blessings** in this world and the Hereafter.

Jazakumullahu khayran.

Wassalamu'alaikum warahmatullahi wabarakatuh.
